Car Wash Fundraiser Program Accepting Applications for 2009

Local business helps groups raise \$40,000/year

San Luis Obispo, CA – Sunset North Car Wash and Detail Center, with 4 locations in San Luis Obispo County, is welcoming applications from **non-profit organizations, schools, churches, groups, clubs and charities** for participation in the company's FUN-Raiser Saturdays, a partnership program which returns an average of \$40,000 per year to local community organizations.

The annual program operates on Saturdays from April through October. Sunset North Car Wash provides all the employees and services on these days, while participating organizations provide enthusiastic supporters who draw in customers in return for 15% of the day's total sales.

Since beginning the FUN-Raiser Saturday program in 2005, Sunset North has returned nearly \$165,000 to local partners. Joey Hughes, Executive Director of Camp Fire, partnered with sorority Gamma Phi Beta to raise over \$1,000 for the Arroyo Grande organization. Hughes calls the FUN-Raiser Saturdays, "an easy fundraiser and a great way to build community and raise awareness about our programs."

Sunset North Car Washes are located on Broad Street and Marsh Street in San Luis Obispo, Grand Avenue in Arroyo Grande, and 9th Street in Paso Robles.

More information and application materials for the Sunset North Car Wash FUN-Raiser Saturday program are available online, at www.SunsetNorthCarWash.com.
